Program Descriptions

<p>Evening Beach Ramble</p>	<p>This is a great opportunity to explore Horseneck Beach as the sun is getting lower in the sky, the day's heat is fading and the evening is upon us. Each week, we will see where the beach takes and us explore what we happen upon, so join us for some fun at the beach! Meet in front of the Horseneck Beach Main Building on the main beach. There is no parking fee after 4pm. Rain cancels.</p>
<p>Creature Feature</p>	<p>Learn about some of the creatures that live here at Horseneck Beach. Each week, we will focus on a different topic. Meet at table set up at the end of Horseneck Beach boardwalk. Daily Parking Fee (collected from 8am to 4pm) is \$13 MA Vehicle, \$15 Non-MA Vehicle. Rain cancels.</p>
<p>Gooseberry Island Walk: Changes Through Time</p>	<p>Gooseberry Island has gone through many changes due to both natural disturbance and man-made disturbance. We'll explore those changes on a moderately strenuous hike around Gooseberry Island. The island has a path that runs through the middle of it and we'll also walk along the perimeter of part of the island. The terrain can be difficult, so please wear supportive shoes, wear sun block and bring water. Program is best suited for adults and older children. Rain cancels.</p> <p>Meet at the Gooseberry Island Parking Lot. Gooseberry Island is located just past the entrance to Horseneck Beach State Reservation. Follow Route 88 all the way to the end (it is also called Old John Reed Road), then take a right onto E Beach Road. Go Straight on E Beach Road and it will bring you right to the beginning of the causeway for Gooseberry Island. Follow the causeway to the dirt parking lot. There is no parking fee; however parking is limited and available on a first come, first served basis. You can also park before the causeway and walk over to the Gooseberry Island Parking Lot.</p>
<p>Beachcomber Scavenger Hunt</p>	<p>Explore the ever-changing, dynamic landscape of Horseneck Beach. Search for objects of interest washed up on the shore and discover the lore and history behind your found items. All ages are welcome. Meet in front of the Horseneck Beach Main Building on the main beach. Daily Parking Fee (collected from 8am to 4pm) is \$13 MA Vehicle, \$15 Non-MA Vehicle. Rain cancels.</p>
<p>Beach Night Hike</p>	<p>Have you ever explored the beach at night? What happens when the sun goes down and the stars come out? Find out on this great hike along Horseneck Beach in the dark. Flashlights are not allowed! Meet at the camping area bathhouse. Children must be accompanied by an adult. Park at the camping area; let attendant know you are there for the Beach Night Hike with the Park Interpreter. There is no parking fee after 4pm. Rain cancels.</p>

<p>Crab Hunt!</p>	<p>What lives under the rocks on the shore? Come find out at Gooseberry Island as we search the intertidal zone for creatures, seaweeds, and more. Rain cancels.</p> <p>Meet at the Gooseberry Island Parking Lot. Gooseberry Island is located just past the entrance to Horseneck Beach State Reservation. Follow Route 88 all the way to the end (it is also called Old John Reed Road), then take a right onto E Beach Road. Go Straight on E Beach Road and it will bring you right to the beginning of the causeway for Gooseberry Island. Follow the causeway to the dirt parking lot. There is no parking fee; however parking is limited and available on a first come, first served basis. You can also park before the causeway and walk over to the Gooseberry Island Parking Lot.</p>
<p>Beach Exploration</p>	<p>Horseneck Beach is part of a larger coastal ecosystem that includes not only the beach but also the dunes area, a nearby salt marsh and the waters of Buzzards Bay. Come explore the different zones that make up a sandy beach environment. We will also see how the coastal plants and animals interact together as a system. Meet in front of the Horseneck Beach Main Building on the main beach. Daily Parking Fee (collected from 8am to 4pm) is \$13 MA Vehicle, \$15 Non-MA Vehicle. Program cancelled in the event of rain.</p>
<p>Horseneck Point Life Saving Station Open House</p>	<p>The Horseneck Point Life Saving Station dates back to 1888, when it was built by the Humane Society of Massachusetts, originally at the Westport Harbor entrance on the west end of Horseneck Beach. The station was a 16' x 34' simple shingled post and beam structure with a pitched roof; designed to house a 30' lifeboat named "Westport" and associated equipment. In 1894 it was moved to its present location at the end of East Beach near the causeway to Gooseberry Island.</p> <p>This important part of Westport's maritime history has been restored and preserved by the Westport Fishermen's Association through a long term lease with the Mass. Department of Conservation and Recreation's Historic Curatorship Program, along with incredible support from the local community. Through the Historic Curatorship program, some of DCR's unused but significant historic buildings are rehabilitated, reused and maintained by an outside party in return for a long term lease. We invite you to visit and learn more.</p> <p>Curators will be available for questions about the history of this Lifesaving Station as well as the Historic Curatorship program. This year's Summer Exhibit is free and open to the public. Come and see wonderful photographs, information, and maritime treasures representing a heroic and historic timeline from the late 18th century through today. Co-sponsored with the Westport Fisherman's Association, http://www.westportriver.org/. No parking fee. The Life Saving Station is located at 241 East Beach Road in Westport. Call with any questions or to set up a private tour date and time at (774) 264- 9200. Rain or shine.</p>
